Every Child Matters as a Child of God

Create, Connect and Share Respect: A better internet starts with you

**Safer
Internet
Day 2018**

#ItStartsWithUs
www.saferinternetday.org.uk

Safer Internet Day was celebrated globally on Tuesday 6th February 2018 with the slogan "Create, Connect and Share Respect: A better internet starts with you". With mobile technology is expanding so quickly, keeping safe online is a key area for everyone. The main messages for the children are:

- Support others
- Be kind and respectful
- Check before you share
- Share positively
- Ask for help

New School Council

Well done to all the children who were elected as this year's School Council. The children are full of ideas and we look forward to working with the group this year.

Keeping healthy and active!

The Exmouth Learning Community hockey festivals were an excellent opportunity for the children to further develop their skills of quick sticks hockey and for many the first opportunity to play competitive hockey in a friendly way. We couldn't be more proud of the energy and enthusiasm displayed by all both of our teams.

New Parent Governor

We received one nomination for a parent governor and are delighted to welcome Stacey Brown to our Governing Body. Having participated in our previous parent governor election, it is great to finally welcome Stacey to our team. Stacey brings an experience and skill-set that we are sure will complement our existing team.

What makes Woodbury Salterton CE Primary School a special place to be?

Perseverance

Our focus on the value of Perseverance this term has been really worthwhile, with the children considering when we need to have perseverance to achieve a personal goal, valuing the support of others and making a goal for the future that will need perseverance and determination to reach.

Doing Lent Generously

40acts is a generosity challenge which invites people to do Lent a bit differently. During the forty days of Lent, 40acts participants will be invited to take part in forty simple acts of generosity which will challenge them to 'do Lent generously' in 2018. Lent marks a pivotal point in the history of the church, when Jesus prepared to give himself up as a sacrifice.

Traditionally we mark Lent by giving something up, but what if it could be more than that? What if Lent was a preparation for a lifetime of big-heartedness? Small acts of generosity, performed by thousands of people across the UK and beyond, have the power to make a big change to our communities, to our churches and ultimately, to our world.

Each day, the children will select a Challenge Card and see if they carry this out throughout the day. This year, Lent starts on 14th February!

"Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go."
Joshua 1.9
