## C of E Primary School

### Shakespeare in style!

Woodbury Salterton Primary are excited to present the production of Shakespeare Rocks!

Aubrey, The Rough Shakespeare Company's pretentious director, obtains what appears to be William Shakespeare's lost diary. Along with Al, his down to earth assistant, the pair decide to embark on an exclusive adaption of the flamboyant Bard's personal journal.

"Shakespeare Rocks!" is a fresh, funny and up to date look at the life and times of William Shakespeare, with a cast of hilarious historical characters, amusing glimpses into some of his works and how he came 'To Be'.

The seven superb songs are exciting, modern and full of energy. They include everything you would want children to know about Shakespeare and the Elizabethan era but, are so 'cool' that they are not only informative, they are guaranteed to enthuse pupils, parents and teachers alike!

Spread the word... Shakespeare didn't just write...he rocked! We look forward to seeing everyone on 18th July at Woodbury Park!

### Well done

Dr Helen Ryland has been on her final teaching practice this term and has made a real impact on the children throughout the school. We would like to thank her for her hard work and wish her well for the future.

### Year 6 Role Models

Year 6 have spent a fantastic 3 days on residential at Beam House in Torrington, North Devon. They have faced their fears on the zip wire and high ropes, persevered with the problem solving activity and showed great endeavour with the very muddy and wet challenge course. They met all the activities with great fun and determination. Well done year 6!

### Mobiles in school

As part of the school's safeguarding procedures, we do not allow mobiles in school. In the event that a child needs to bring a mobile into school, for example if they are going to a friends house after school, please note that all mobiles need to be signed in and out at the school office.

### Galleries and website

We've been busy adding lots of quality examples to our website of some of the recent learning in school. If you haven't visited the school website, log on to [www.woodbury-salterton.devon.sch.uk](http://www.woodbury-salterton.devon.sch.uk) or visit Facebook page for notifications.

*Every Child Matters as a Child of God*

# What Makes Woodbury Salterton C of E Primary School a Special Place to be?

As a church school, our focus on Christian values remains central to our work. Our approach to Wow, Think and Do focuses the children on putting values into action, both in school and at home. This half term, we are focussing in school on the value Truthfulness. The children will be exploring an acrostic poem to help them with this.

## TRUTH IS....

**T**rustworthy words and actions

**R**espect for doing the right thing

**U**ncovering the full picture

**T**elling it as it is

**H**aving all the facts

Also, we have a *Home School Values* resource sheet available from our website which we hope your family will find useful as you explore the value and have fun together, with activities such as quizzes, word activities and of course a Home School Challenge – *Truth be Told*.

## Let's Talk More Everywhere

This month's Lets Talk more strategy focuses on switching off mobile devices and talking. Did you know that 64% of babies and toddlers are watching TV and videos, for an average of 2 hours a day? Adding on time spent on mobile phones and tablets makes it even higher. This month's strategy is: SWITCH OFF AND TALK

The best advice for parents is to interact with their child. Time spent on mobile devices is time missed interacting, responding and playing.

This is not just for 2 year olds – these strategies will help interaction and communication development with younger and older children too.

*"Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go." Joshua 1.9*
