

Woodbury Salterton C of E Primary School

OUR MISSION STATEMENT

'Every Child Matters as a child of God.

Within a Christian environment we aim to educate and encourage every child to live happily with others and to develop and make the best of his or her ability. Everybody is special, and we believe in you not only as you are but also in what you can become.'

Therefore we aim through a loving environment to:

- be an inclusive school, celebrating difference, valuing diversity and promoting equality;
- nurture a sense of family by working in partnership with home, church and community;
- promote the growth of the whole child with a balance between spiritual, moral, emotional, physical and academic development;
- encourage and promote each individual's natural abilities and potential;
- foster confident, life-long learners through a rich, challenging, creative curriculum;
- to listen to children and value what they have to say

All achievement is celebrated.
